6pm to 9 pm

The cost for this activity is **\$10.00 per person/student**. This will cover food and music. Those students participating will be issued a wrist band beforehand. The wristband is proof of payment and you need it to get in. *We will be at an off-site facility and your best behavior is expected.*

Participants are responsible for their own transportation to/from the location.

Kindly, submit the tear-off below if you are interested in participating. When everyone is well informed, it leaves little room for misunderstandings. Your cooperation is well appreciated.
